The New IDSA/ATS Community-Acquired Pneumonia Practice Guidelines – A Case-Based Approach (0.2 CEU)

Mark C. Decerbo, Pharm.D., BCPS, Assistant Professor of Pharmacy Practice, University of Southern Nevada College of Pharmacy

Learning Objectives

- 1) Summarize the key recommendations from the joint 2007 IDSA/ATS guidelines on community-acquired pneumonia (CAP).
- 2) Discuss the role of combination antibiotic therapy in the treatment of CAP, and the evidence both in favor and against its routine use.
- 3) Review key changes to previous CAP guidelines and the corresponding implications for patient care.
- 4) Relate the impact of resistant *Streptococcus pneumoniae* on appropriate antibiotic selection in the treatment of CAP.
- 5) Recognize the patient profile in which combination antibiotic therapy is warranted to ensure optimal outcomes.

Nevada Pharmacy Law (0.1 CEU)

Ronald Shockey, R.Ph., Inspector, Nevada Board of Pharmacy

Learning Objectives

- 1) Apply information about new regulations that permit pharmacists in some work environments to take scheduled breaks.
- 2) Identify the documentation requirements for DEA Form 222.
- 3) Recognize the regulations that pertain to controlled substance prescribing, dispensing, documentation and surrendering of documents during investigations of illegal acts.
- 4) Identify legal requirements for prescription labeling, order transcription, and documentation of patient counseling.
- 5) Interpret the Nevada Board of Pharmacy requirements with regards to changes of employment and changes of home address.
- 6) Demonstrate understanding of documentation requirements for in-service training for pharmacy technicians.

Target audience: pharmacists interested in advancing their understanding of evidence-based community-acquired pneumonia management and pharmacists and technicians practicing in Nevada. Pharmacy technicians will receive accredited continuing education credit for the law portion of the program only.

An unrestricted educational grant application has been submitted to support this program.

The University of Southern Nevada College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a Provider of continuing pharmacy education. This program provides 3.0 hours (0.3 CEU) of continuing education credit: ACPE program numbers 455-000-07-007-L03-P / 455-000-07-007-L03-T (first accredited program offering: Nov. 15, 2006) and 455-000-07-008-L01-P after successful completion of a post-test. Statements of credit will be mailed within 30 days of program completion.

The Nevada Pharmacy Law program changes in content every 2 years; all Nevada Pharmacy Law programs offered by USN in 2006—2007 are the same. **Participants may not register on site on the day of the program.** A receipt will be sent via email upon receipt of payment and your registration form. Greater than 10 days before the scheduled program, full refunds may be issued minus a 20% administrative fee. Less than or equal to 10 days before the scheduled program, no refund will be issued. **Registration for this program will close on Friday, October 12.**

For questions or directions, call Karla Labbe at 702-968-2032 or email klabbe@usn.edu.
